EDUCATE YOUR PALATE WITH THE WINE SOCIETY

For those who love a good tippie, but don't always know the best bottle to take to a party, The Wine Society has the perfect solution with an Introduction to Wine course.

The Introduction to Wine course is a great place to start for anyone wanting to learn the basics about wine. The course answers those wine questions people are always afraid to ask, so you will be able to wow your friends at a dinner party and feel comfortable selecting from any wine list.

The eight hour course, which is available as a series of evening classes or one weekend class, provides a foundation for wine knowledge and appreciation including the basics wine, wine varieties, regions and climates.

Notes to editor: The Wine Society, Australia's largest and oldest independent wine club, was established in 1946 when Dr. Gilbert Phillips and a group of wine loving friends shared a collective vision and passion to purchase and distribute Australian table wine. Today that vision continues and The Wine Society boasts almost 60,000 members across Australia.
